Chorus)

Anything you want
Anything at all
Anything you need
Any time you call
Anywhere you are
Anywhere you go
Any time at all
Baby let me go
I hear the voices whisper
And I hear your lonesome cry
And I see the tears a fallin
And I know the reason why

(Chorus)

Anything you want
Anything at all
Anything you need
Any time you call
Any time you cry
Any time you fall
I will pick you up
Any time at all
Well I hear your voice within me
And I hear your tender call
And I know that life without you
Don't mean anything at all

(Chorus)

Anything you want
Anything at all
Anything you need
Any time you call
Anything you dream
Everything you know
Anywhere you lead
Baby I will go
When trouble comes to call on you
And you can't take anymore
Any time you need a friend
Just knock upon my door

(Chorus) (repeat and fade out)

Anything you want
Anything at all

Anything you need
Any time you call
Anything you dream
Everything you know
Anywhere you lead
Baby I will go
