Fools in love

Well, are there any other kind of lovers?

Fools in love

Is there any other kind of pain, yeah?

Everything you do, everywhere you go now

Everything you touch, everything you feel

Everything you see, everything you know now

Everything you do, you do it for your lady love

Your lady love, your lady love, your lady love

Fools in love

Gently hold each others hands forever

Fools in love

Gently tear each other limb from limb

Everything you do, everywhere you go now

Everything you touch, everything you feel

Everything you do, even your rock 'n' roll now

Nothing means a thing except you and your lady love

Your lady love, your lady love, your lady love

Fools in love, they think they're heroes

'Cause they get to feel more pain

I say fools in love are zeros

I should know, I should know

Because this fool's in love again

Everything you do, everywhere you go now

Everything you touch, everything you feel

Everything you do, even your rock 'n' roll now

Nothing means a thing except you and your lady

Everything you do, everywhere you go now

Everything you touch, everything you feel

Everything you see, everything you know now

Everything you do, you do it for your lady love

Your lady love, your lady love, your lady love

Love your lady love, your lady love, your lady love

Love your lady love, your lady love, your lady love

Love your lady love, your lady love, your lady love

Love, love, love, love
Love your lady love, your lady love, your lady love
Love, love, love, love, love your lady love
