Seen a light divine, seen water turn to wine
Seen healing hands and walking on the water
I've knelt in churches that was all just fruitless searches
For something to believe in and I thought I'd seen it all

But I never saw a miracle 'til baby, I found you
I prayed I'd find my Heaven then all my prayers came true
No, I never saw a miracle, I was blind but now, I see
The miracle is the love you give to me

Seen a flower bloom and the man walk on the moon
But I never seemed to find sweet inspiration
Seen the stars fall from the sky and heard a newborn baby cry
And felt the warmth of human kindness 'til the tears came to my eyes

But I never saw a miracle 'til baby, I found you
I prayed I'd find my Heaven and then all my prayers came true
No, I never saw a miracle, I was blind but now, I see
The miracle is the love you give to me, oh, oh, ooh
The miracle is you and me

I've never been a winner and God knows I'm a sinner
But I found my salvation in you
Oh, I was lost until you found me
You put your loving arms around me
Gave me back my faith and my strength to carry on
And now, baby, I believe

But I never saw a miracle 'til baby, I found you
I prayed I'd find my Heaven and then all my prayers came true
No, I never saw a miracle, I was blind but now, I see
The miracle is the love you give to me, yeah
The miracle is you and me
