[Left vocal]

... came in through the back yard

[sweet] "come into my parlor"

I am the scarlet in your dreary life

I've come to save you

And show you who I am

[Right vocal]

Just ... to see

...

Watch again

And I know it's the end

[I know it's a disaster]

...

... about what I am

Sigh

You just never look back

You just keep on moving, [screaming] ...

You just never look back

You just keep on moving, keep on moving
