What am I supposed to do with all these blues
Haunting me everywhere
No matter what I do
Watching the candle flicker out
In the evening glow
I can't let go
When will this night be over
I didn't mean to fall in love with you
And baby there's a name for what you put me through
It isn't love it's robbery
I'm sleeping with the ghost of you and me
I've seen a lot of broken hearts go sailing by
Phantom ships lost at sea
And one of them is mine
Raising my glass I sing a toast
To the midnight sky

I wonder why
The stars don't seem to guide me
I didn't mean to fall in love with you
And baby there's a name for what you put me through
It isn't love it's robbery
I'm sleeping with the ghost of you and me
The ghost of you and me
When will it set me free
I hear the voices call
Following footsteps down the hall
Trying to save what's left
Of my soul
Watching the candle flicker out
In the evening glow I can't let go
When will this night be over
