Those times I waited for you seem so long ago  
I wanted you far too much to ever let you go  
You know you never got by your fear to choose  
And I guess I never could stand to lose  
It's such a pity to say  
Goodbye to you  
Goodbye to you  
How Could I have loved someone like the one I see in  
you?  
I remember the good times baby now, and the bad  
times too  
These last few weeks of holding on  
The days are dull, the nights are long  
Guess it's better to say  
Goodbye to you  
Goodbye to you  
Goodbye to you  
Goodbye to you  
'Cause baby it's over now  
No need to talk about it  
It's not the same  
My love for you's just not the same  
And my heart, and my heart  
And my heart can't stand the strain  
And my love, and my love  
And my love won't stand the pain  
And my heart, and my heart  
And my heart can't stand the strain  
And my love, and my love  
And my love...  
Goodbye to you  
Goodbye to you  
Goodbye to you  
Goodbye to you  
How could I have loved someone like the one I see in  
you?  
Yeah, I remember the good times baby now, and the  
bad times too  
These last few weeks of holding on  
The days are dull, the nights are long  
Guess it's better to say

Goodbye to you  
Goodbye to you  
Goodbye to you  
Goodbye to you  
Goodbye baby  
So long darling  
Goodbye to you
