(by The Beatles)

A little help from my friends
What would you think if I sang out of tune,
Would you stand up and walk out on me.
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.
I get by with a little help from my friends,
I get high with a little help from my friends,
Going to try with a little help from my friends.
What do I do when my love is away.
(does it worry you to be alone)
How do I feel by the end of the day
(are you sad because you're on your own)
No I get by with a little help from my friends,
Do you need anybody,
I need somebody to love.
Could it be anybody
I want somebody to love.
Would you believe in a love at first sight,
Yes I'm certain that it happens all the time.
What do you see when you turn out the light,
I can't tell you, but I know it's mine.
Oh I get by with a little help from my friends,
Do you need anybody,
I just need someone to love,
Could it be anybody,
I want somebody to love.
I get by with a little help from my friends,
Yes I get by with a little help from my friends,
With a little help from my friends
