Now, I don't want to lose you but I don't want to use you
Just to have somebody by my side
And I don't want to hate you
I don't want to take you but I don't want to be the one to
cry

And that don't really matter to anyone anymore
But like a fool I keep losing my place
And I keep seeing you walk through that door

But there's a danger in loving somebody too much
And it's sad when you know it's your heart you can't
trust
There's a reason why people don't stay where they are
Baby, sometimes, love just ain't enough

Now, I could never change you, I don't want to blame
you
Baby, you don't have to take the fall
Yes, I may have hurt you but I did not desert you
Maybe I just want to have it all

It makes a sound like thunder
It makes me feel like rain
And like a fool who will never see the truth
I keep thinking something's gonna change

But there's a danger in loving somebody too much
And it's sad when you know it's your heart you can't
trust
There's a reason why people don't stay where they are
Baby, sometimes, love just ain't enough

And there's no way home when it's late at night and
you're all alone
Are there things that you wanted to say?
And do you feel me beside you in your bed
There beside you where I used to lay?

And there's a danger in loving somebody too much
And it's sad when you know it's your heart they can't
touch

There's a reason why people don't stay who they are
Baby, sometimes, love just ain't enough

Baby, sometimes, love, it just ain't enough
Oh, oh, oh, no
