China in Your Hand

From the album Bridge of Spies by T'Pau

Written by Carol Decker and Ron Rogers...

Verse 1

It was a theme she had

On a scheme he had

told in a foreign land

To take life on earth

To the second birth

and the man was in command

It was a flight on the wings

Of a young girls dreams

That flew too far away

And we could make the monster live again

Oh hands move and heart beat on

Now life will return in this electric storm

A prophecy for a fantasy

The curse of a vivid mind

Don't push too far

Your Dreams are china in your hand

Don't wish too hard

Because they may come true
And you can't help them
You don't know what you might
Have set upon yourself
China in your hand
Come from greed
Never born of the seed
Took life from a barren hand
On eyes wide
Like a child in the form of a man
A story told
A mind of his own
An omen for our time
We take a flight on the wings of fantasy
Then you push too far
And make your dreams reality
Yeah! china in your hand
But they're only dreams
And you shouldn't push too far
