When somebody leaves you, that's the time to cry  
When you know you're lonely, you're not the one and  
only  
Who will cry?

When your heart is broken, that's the time to cry  
When you know she's left you, you'll know that she has  
left you  
So you can cry

Happiness is what I long for  
Loneliness is why I cry  
For you have made my heart a slave  
And now it's up to you

When somebody leaves you, that's the time to cry  
When you know she's left you, you'll know that she has  
left you  
So you can cry
