I walking down the street the other day  
Who did I meet  
I met a friend of mine and he did say  
Man I can smell your feet a mile away  
Smile away, smile away, smile away, yeah smile away  
Smile away, smile away, smile away, yeah smile away

Smile away, smile away, smile away, yeah smile away  
Smile away, smile away, smile away, yeah smile away

I walking down the street the other day  
Who did I meet  
I met a friend of mine and he did say  
Man I can smell your breath a mile away

Smile away, smile away, smile away, yeah smile away  
Smile away, smile away, smile away, yeah smile away

Who did I meet  
I met a friend of mine and he did say  
Man I can smell your teeth a mile away

Smile away, smile away, smile away, yeah smile away  
Smile away, smile away, smile away, yeah smile away
