I remember when we used  
To be in our teens  
Wearing bobby socks  
And old blue jeans

That was long ago  
So I'd like to say  
I love you in the  
Same old way, uh uh huh  
I love you in the same old way

Mmm, I remember when we  
Used to babysit your brother  
And who was watching us  
Your father and mother

That was long ago  
And I'd like to say  
I love you in the  
Same old way, uh uh huh  
I love you in the same old way

Now, heaven  
I'm in heaven again  
And I still remember  
Where and when

And I love you  
You still love me, hah  
And that's the way  
It's gonna be

I remember when  
We were in school  
A-learning how to  
Live by the golden rule

That was long ago  
So I'd like to say  
I love you in  
The same old way, uh huh

I love you in the  
Same old way, ho

Mmmm, heaven  
I'm in heaven again  
And I still remember  
Where and when

I still love you  
You know you love me and  
That's the way it's gonna be

Hey, I remember when  
We used to be in school  
A-learning how to live  
By the golden rule

That was long ago  
And I'd like to say  
I love you in the  
Same old way, a-ha  
I love you in the  
Same old way, a-ha
