lost the number lost your mind
in the dark biding time
same old story
winter solstice once again
irony - familiar friend
same old story

Sarah don't be so sad
she wouldn't want it that way
she wouldn't want it that way
Sarah

desperate measures- for lonely times
turn your back on love's pure light
same old story
you're missing all the reasons
flying straight into the sun
so busy needing answers
not hearing anyone
same old story

she's gone too soon
and the blame's on you
is that what you're thinking?
so you crucify
it's your sacrifice
if you throw your heart away
it will make up for that night
is that what you're thinking? Sarah-
is that what you're thinking

she's already got a Savior
