Iâ'm upstairs the other day, trying on my sisterâ's
cords
When a man comes knocking on my door from the
electric board
Well I thought about letting him in but I wasnâ't thinking
fast Weâ'd only been there half an hour and he pushed
his way right passed
I said Oh Mush FUCK OFF who do you think you are
Donâ't you look at me like that Iâ'll do your fucking car
I said Oh Mush, FUCK OFF who do you think you are
Donâ't you look at me like that Iâ'll do your fucking car

So Iâ'm standing there picking up my teeth when the
landlord comes around
Oh you little bastard he said you owes me 40 pound
He throws me up against the wall and tries to grab my
giro
So I kicked the bastard in the balls and stabbed him
with my biro and said Oh Mush FUCK OFF who do you
think you are Donâ't you look at me like that Iâ'll do
your fucking car I said Oh Mush FUCK OFF who do you
think you are
You money grabbing bastard, Iâ'll do your fucking car.

Next thing I knows plods at my door, waving all their
truncheons They tries to pin me to the floor so I fucking
upped and punched one
Then they throws me in the van and questions me for
hours
And one said wait â'till you goes down theyâ'll love you
in the showers
I said Oh Mush FUCK OFF who do you think you are
Incinerating things like that Iâ'll torch your fucking car
I said Oh Mush FUCK OFF
He said Donâ't talk to me like that
So I stuck the fucking head in and said handcuff that
you twat Ah FUCK OFF
OH FUCK
FUCK OFF

So thatâ's why Iâ'm in Strangeways doing a stretch of

bird

The judge called on me to change my ways and I called
him a turd

I said Iâ€™ll do my time standing on my head you
havenâ€™t got me beat

He said well have another fucking year and get back on
your feet

I said Oh Mush FUCK OFF who do you think you are
Donâ€™t you sentence me like that Iâ€™ll do your fucking
car

I said Oh Mush FUCK OFF who do you think you are
You big fat wigged up bastard Iâ€™ll do your fucking car
You big fat wigged up bastard Iâ€™ll do your fucking car
You big fat wigged up bastard Iâ€™ll do your fucking car
FUCK OFF
