### The Ospreys Song

They come from the East  
They come from the West  
They come from afar to face the best  
But should you see The Ospreys crest  
DON'T attack The Ospreys nest....

If 'ewe comes near us we'll sing our song  
It's only a laugh it won't take long  
Nice little tune with a verse or two  
SHAME 'EWE HAVEN'T GOT ONE TOO!

We are Ospreys through and through  
We beat the rest we'll beat 'ewe too  
We're the only ones who get it right  
That's why Ospreys play TOP FLIGHT

They even comes down from the Gwent  
Well half of 'em the others went!  
Okey Cokey comes to town  
Flashing all his cash around  
He puts it in he takes it out  
He likes to wave his wad about  
When the tragic dragon puffs  
Old Okey says he's had enough

You haven't got a song  
You haven't got a song  
You haven't got a song  
And if 'ewe did it would be CRAP!

Sometimes they comes from Cardiff  
We're not too convinced  
A boss that's dressed like Larry Grayson  
And a team that likes to mince  
I said "Peter you'll have such a fright  
Dressed like that on bonfire night"  
He stood there looking so surprised  
Cos someone's eaten all his pies!

If 'ewe comes near us we'll sing our song

It's only a laugh it won't take long  
Nice little tune with a verse or two  
SHAME 'EWE HAVEN'T GOT ONE TOO!

We are Ospreys through and through  
We beat the rest we'll beat 'ewe too  
We're the only ones who get it right  
That's why Ospreys play TOP FLIGHT

You haven't got a song  
You haven't got a song  
You haven't got a song  
And if 'ewe did it would be CRAP!

Sometimes they comes down from the West  
In their shell suits and their vests  
They're all dressed like Rodney Trotter  
They're a bunch of STRADEY SQUATTERS  
They won't win a single thing  
According to predictions  
When the Union man calls for the rent  
They're up for eviction!

We hope 'ewe have enjoyed our song  
We didn't hear 'ewe sing along  
Maybe 'ewe should write one too  
It's easy this is what 'ewe do...  
Find a crowd that likes to sing  
Find a team that's born to win  
Then 'ewe can stand there strong and true  
And sing I'm an Osprey through and through

We are Ospreys through and through  
We beat the rest we'll beat 'ewe too  
We're the only ones who get it right  
That's why Ospreys play TOP FLIGHT
