

## Paul And Paula "First Quarrel"

Visit "[First Quarrel](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Both We had our first quarrel today  
Paula I threw your picture away  
Paul I'm sorry I made you cry  
Paula Forgive me, so am I  
Both We had our first quarrel today

Paul I thought I saw you with Jim  
Paula I was just talking with him  
Paul Well, I guess I had it wrong  
Paula I should have been at home  
Both We had our first quarrel today

What may seem wrong at the time isn't always true  
Our love will go on as long as there's me and you

Paul What was it all about?  
Paula I don't remember now  
Both We had our first quarrel today

What may seem wrong at the time isn't always true  
Our love will go on as long as there's me and you

Paul What was it all about?  
Paula I don't remember now  
Both We had our first quarrel today
