[Originally by Daniel Powter]

Where is the moment we needed the most  
You kick up the leaves and the magic is lost  
You tell me your blue skies fade to grey  
You tell me your passion's gone away  
And I don't need no carryin' on

You stand in the line just to hit a new low  
You're faking a smile with the coffee to go  
You tell me your life's been way off line  
You're falling to pieces everytime  
And I don't need no carryin' on

Cause you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day

Well you need a blue sky holiday  
The point is they laugh at what you say  
And I don't need no carryin' on

You had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day

(Oh.. Holiday..)

Sometimes the system goes on the blink  
And the whole thing turns out wrong  
You might not make it back and you know  
That you could be well oh that strong  
And I'm not wrong (yeah, yeah, yeah, yeeeah)

So where is the passion when you need it the most  
Oh you and I  
You kick up the leaves and the magic is lost

Cause you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
You've seen what you like  
And how does it feel for one more time  
You had a bad day  
You had a bad day

(Oh, yeah, yeaah, yeah)  
Had a bad day  
(Oh, had a bad day)  
Had a bad day  
(Oh, yeah, yeah, yeeeah)  
Had a bad day  
(Oh, had a bad day)  
Had a bad day...  
Had a bad day...
