When your day is long, and the night
The night is yours alone
When you think you've had enough
Of this life, hang on
Don't let yourself go
Cause everybody cries
And everybody hurts, sometimes

When your day is night alone
And you feel like letting go
And you think you've had enough
Of this life, well hang on

Cause everybody hurts
Take comfort in your friends
Everybody hurts, sometimes

Don't throw your hands
When you feel you're on your own
Don't throw your hand
Your not alone, your not alone

Yes everybody hurts
And everybody cries
Everybody hurts, sometimes
Sometimes
