[Originally by Survivor]

Risin' up back on the street  
Did my time took my chances  
I went the distance  
Now I'm back on my feet  
Just a man with the will to survive

So Many times it happens too fast  
You change your passion for glory  
Don't lose your grip  
On dreams of the past  
You must fight to keep them alive

It's the eye of a tiger  
The thrill of the fight  
Risin' up to challenge our rival  
And the last known survivor  
Stalks his prey in the night  
And he's watching us all with the eye of the tiger

Face to face out in the night  
Hangin' tough, stayin' hungry  
They stack the odds  
Till we tak'em to the street  
We kill with the skill to survive

Yes yes the eye of the tiger  
It's the dream of the fight  
Risin' up to challenge a rival  
And it's the last known survivor  
Who stalks in the night  
Watching us all in the eye of the tiger

Risin' up straight to the top  
I got the guts got the glory  
I went the distance  
Not gonna stop  
Just a man with the will to survive, yes

And it's the eye of the tiger  
It's the dream of the fight

Risin' up to challenge a rival  
It's the last known survivor  
Stalking prey in the night  
Watching us all in the eye of the tiger  
The eye of the tiger  
Yes he's ready to fight  
Stalking prey in the night  
And he's watching  
Eye of the tiger
