I'm all out of hope
One more bad dream could bring a fall
And when I'm far from home
Don't call me on the phone
To tell me you're alone
It's easy to deceive
It's easy just to tease
But hard to get release

Eyes without a face
Eyes without a face
Eyes without a face
Got no human grace
Your eyes without a face.
And I miss you

I spend so much time
Believing all the lies
To keep the dream alive
Now it makes me sad
It makes me mad at truth
For loving what was you

Eyes without a face
Eyes without a face
Eyes without a face
Got no human grace
Your eyes without a face.

Now I close my eyes
And wonder wonder why
Why I don't despise
Now all I can do
Is love what was once
So alive and so new

Eyes without a face
Eyes without a face
Got no human grace
Your eyes without a face.
