I've been alone with you inside my mind  
And in my dreams I've kissed your lips a thousand  
times  
I sometimes see you pass outside my door  
Hello!  
Is it me you're looking for  
I can see it in your eyes  
I can see it in your smile  
You're all I've ever wanted  
And these arms are open wide  
Cause you know just what to say  
You know just what to do  
I want to tell you so much  
I love you

I long to see the sunlight in your hair  
And tell you time and time again how much I care  
Sometimes I feel my heart will overflow  
Hello  
I've just got to let you know  
Cause I wonder where you are  
And I wonder what you do  
Are you somewhere feeling lonely  
Or is someone loving you  
Tell me how to win your heart  
For I haven't got a clue  
But let me start by saying  
That I love you

I wonder where you are  
And I wonder what you do  
Are you somewhere feeling lonely  
Is someone loving you  
Tell me how to win your heart  
Cause I haven't got one clue  
But let me start by saying  
I love you  
I love you
