I can't stop loving you, I made up my mind  
To live in memory of all lonesome times  
I can't stop loving you, it's useless to say  
So I just live my life in dreams of yesterday

Those lonely hour that we once knew  
Though long ago, still made me blue  
They say that time heals a broken heart  
But time has stood still, since we've been apart

I can't stop loving you, there's no use to try  
Pretend there's someone new, I can't live a lie  
I can't stop watching you the way that I do  
There's only been one love for me, that one love is you
