Every time we kiss  
Something tells me this isn't what it could be  
Every time we touch  
You only give so much and it's getting to me

No, I can't take this anymore  
No, I can't take this anymore

Love has always let  
My heart before my head I keep losing my way  
I've known you much too long  
For you to lead me on, should I go or stay?

No, I can't take this anymore  
No, I can't take this anymore  
How many times can I say  
How can you treat me this way?  
How any heart aches today to ignore?

How many times can I try?  
How many tears must I cry?  
Watchin' life slippin' by, what for?  
No, I can't take this

I need you to be near  
Even when you're here you're never honest with me  
I've waited much too long  
A woman's just as strong as a man can be

No, I can't take this anymore  
No, I can't take it anymore  
How many times can I say  
How can you treat me this way?  
How any heart aches today to ignore?

How many times can I try?  
How many tears must I cry?  
Watchin' my life slippin' by and what for?  
No, I can't take it anymore

I can't take it, can't take it anymore  
I can't take it anymore

I can't take it anymore

How many dreams will it take  
Till I feel my heart break?  
Is this just a mistake?  
I'm not sure

How many times can I try?  
How many tears must I cry?  
As life slips on by, what for?  
No, I can't take this, no, anymore, anymore

No I, I can't take it anymore, anymore  
No, I can't take it anymore

How many times can I say  
How can you treat me this way?  
How any heart aches today to ignore?  
No, I can't take it any more

How many dreams will I dream  
Until I feel my heart break?  
Was this all a mistake? I'm not sure  
No, I can't take it any more
