Shoo doop, shooby do...

In the still of the night  
I held you, held you tight  
Cause I love, love you so  
Promise I'll never let you go  
In the still of the night  
(In the still of the night)

I remember that night in May  
The stars were bright above  
I'll hope and I'll pray  
To keep your precious love

Well, before the light  
Love me again  
With all your might  
In the still of the night  
(In the still of the night)

In the still of the night  
(In the still of the night)  
In the still of the night

Shoo doop, shooby do...
