There you go and baby, here am I.  
Well, you left me here so I could sit and cry.  
Well, golly, gee, what have you done to me?

Do you remember, baby, last September?  
How you held me tight each and every night?  
Well, whoops a daisy, how you drove me crazy.  
I guess it doesn't matter any more.

There's no use in me a - crying,  
I've done everything and now I'm sick of trying.  
I've thrown away my nights,  
Wasted all my nights over you.

Now you go your way and I'll go mine.  
Now and forever till the end of time.  
I'll find somebody new and, baby,  
You say we're through  
And you won't matter any more....
