There you go and baby here am I
Oh well, you left me here so I could sit and cry
Well golly gee what have you done to me
Well, I guess it doesn't matter anymore.

Do you remember baby last September
How you held me tight each and every night
Well hopes and dazy how you drove me crazy
Well I guess it doesn't matter anymore.

There's no use in me cryin'
I've done everything and now I'm sick and tryin'
I've thrown away my day's
Wasted all my night over you and all your dreams All
your folish sceams.

Well, you'll go your way and I'll go mine
Now and forever till the end of time and
I'll find somebody new baby we'll say we're through
And you won't matter anymore.
