There's something in your eyes,
That's far too revealing
Why must it be like this?
A love without feeling
There's something wrong with you I know,
I see it in your eyes
Believe me when I say,
Its gonna be ok
I told you from the start,
I wont be demanding (I wont be demanding)
If you have a change of heart,
Ill be understanding (Ill be understanding)
When love becomes a broken heart
And dreams begin to die
Believe me when I say,
Well work it out some way
Ill never try to hold you back
I wouldn't try controlling you
If it's what you want,
Its what I want
I want what's best for you
And if there's something else that you're looking for
Ill be the first to help you try
Believe me when I say,
Its hard to say, goodbye
Weve lost that loving touch
We use to feel so much
I try to hide, the truth that's in my eyes
(A love without feeling)
But when I feel, were not in love
I know Im losing you
Believe me when I say
Well work it out some way
Ill never try to hold you back
I wouldn't try controlling you
If it's what you want,
Its what I want
I want what's best for you
And if there's something else that you're looking for
Ill be the first to help you try
Believe me when I say,
Its hard to say, goodbye

Don't say goodbye
If it's what you want
Its what I want,
I want what's best for you
Ill never try to hold you back
I wouldn't try controlling you
If it's what you want,
Its what I want
I want what's best for you
And if there's something else that you're looking for
Ill be the first to help you try
Believe me when I say,
Its hard to say goodbye
Ill never try to hold you back
I wouldn't try controlling you
If it's what you want,
Its what I want
I want what's best for you
And if there's something else that you're looking for
Ill be the first to help you try
Believe me when I say,
Its hard to say goodbye
