I took to her, she took to me
And now we're meeting secretly

From four to five
My dreams all come alive
Would she ever leave me
I live from day to day

And if it ends
I lose two friends
I can't win either way

(CHORUS)
My best friend's wife
Is the love of my life
I just don't know
What to do about it
My best friend's wife
Is the love of my life
I just don't know
What to do about it

We get together socially
And she's with him
She's not with me

I try to hide
The way I feel inside
Going through the changes
So no one can tell

They say it's Heaven
Being in love
I'd hate to be in Hell

(CHORUS)

Would she ever leave me
I live from day to day

And if it ends
I lose two friends

I can't win either way

(CHORUS) 2X to fade
