I remember when we used
To be in our teens
Wearing bobby socks
And old blue jeans

That was long ago
So I'd like to say
I love you in the
Same old way, uh uh huh
I love you in the same old way

Mmm, I remember when we
Used to babysit your brother
And who was watching us
Your father and mother

That was long ago
And I'd like to say
I love you in the
Same old way, uh uh huh
I love you in the same old way

Now, heaven
I'm in heaven again
And I still remember
Where and when

And I love you
You still love me, hah
And that's the way
It's gonna be

I remember when
We were in school
A-learning how to
Live by the golden rule

That was long ago
So I'd like to say
I love you in
The same old way, uh huh
I love you in the

Same old way, ho

Mmmm, heaven
I'm in heaven again
And I still remember
Where and when

I still love you
You know you love me and
That's the way it's gonna be

Hey, I remember when
We used to be in school
A-learning how to live
By the golden rule

That was long ago
And I'd like to say
I love you in the
Same old way, a-ha
I love you in the
Same old way, a-ha
