You tell me that you love me,
You tell me that you care,
You tell me when I want you ,
You'll be waiting there
Because I need you like I want you,
I want you like I need your love.

Well, you tell me you're my baby,
You tell me you're my love.
You tell me you will shine there
Like the stars above
Because I need you like I want you,
I want you like I need your love.

Oh, tell me that you love me
And I will be so true (true).
You tell me that you care
And I'll be true to you.

You tell me you're my baby,
You tell me you're my love,
You tell me you will shine there
Like the stars above
Because I need you like I want you,
I want you like I need your love.

Tell me that you love me
And I will be so true (so true),
You tell me that you care
And I'll be true to you.

Tell me you're my baby,
Tell me you're my love.
Tell me you will shine there
Like the stars above
Because I need you like I want you,
I want you Like I need your love,
Your love, your love.
