Here I go again, drifting on my own feet
Lately it seems I've been, being old foolish me
Mumble when I try to talk, stumble when I try to walk
Like I'm in a state of shock when I'm with you.

Here I go again, looking just like a clown
Everything I say is wrong whenever you're around
Somehow I got kind a shy and I can't look you in the eye
I come all apart inside when I'm with you.

Chorus:

Think I'm in love again, grinning that silly grin
Look what a fool I've been, think I'm in love again
Lately I lost my mind and I do it everytime
(Guess/Yes) I know all the signs of being in love.

I won't lie to you, I've been in love before
But I think that you're the one that I've been waiting for
Been around I'll admit, but this time all the pieces fit
Something tells me this is it, when I'm with you.

(Repeat Chorus)

Instrumental
