So long
I've been looking too hard, I've waiting too long
Sometimes I don't know what I will find
I only know it's a matter of time
When you love someone
When you love someone

It feels so right, so warm and true
I need to know if you feel it too

Maybe I'm wrong
Won't you tell me if I'm coming on too strong?
This heart of mine has been hurt before
This time I wanna be sure

I've been waiting for a girl like you
To come into my life
I've been waiting for a girl like you
A love that will survive
I've been waiting for someone new
To make me feel alive
Yeah, waiting for a girl like you
To come into my life

You're so good
When we make love it's understood
It's more than a touch or a word we say
Only in dreams could it be this way
When you love someone
Yeah, really love someone

Now, I know it's right
From the moment I wake up till deep in the night
There's no where on earth that I'd rather be
Than holding you, tenderly

I've been waiting for a girl like you
To come into my life
I've been waiting for a girl like you
And a love that will survive

I've been waiting for someone new
To make me feel alive
Yeah, waiting for a girl like you
To come into my life

I've been waiting, waiting for you, ooh
Ooh, I've been waiting
I've been waiting, yeah
I've been waiting for a girl like you
I've been waiting
Won't you come into my life?
My life?
