Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I don't believe that anybody
Feels the way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
And there are many things that I like to say to you
I don't know how

Backbeat the word is on the street
That the fire in your heart is out
And I'm sure you've heard it all before
But you never really had any doubt
I don't believe anybody feels
The way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I like to say to you
I don't know how, don't know how

Maybe, you're gonna be the one that saves me
And after all, you're my wonderwall

Maybe, you're gonna be the one that saves me
And after all, you're my wonderwall

Maybe, you're gonna be the one that saves me
And after all, you're my wonderwall
