Destiny

You are my destiny

You are my destiny

You share my reverie

You are my happiness

That's what you are

(You're my destiny)

You have my sweet caress

You share my loneliness

You are my dream come true

That's what you are

(You're my destiny)

Heaven and Heaven alone

Can take your love from me

'Cause I'd be a fool

To ever leave you dear

And a fool I'd never be

You are my destiny

You share my reverie

You're more than life to me

That's what you are

You are my destiny

You share my reverie

You are my happiness

That's what you are

(My destiny)
