How can I be sure
When your intrusion is my illusion?
How can I be sure
When all the time you changed my mind?
I asked for more and more
How can I be sure?

When you don't give me love
You gave me pale shelter
You don't give me love
You give me cold hands

And I can't operate
On this failure
When all I want to be is
Completely in command

How can I be sure
For all you say you keep me waiting?
How can I be sure
When all you do is see me through?
I asked for more and more
How can I be sure?

I've been here before
There is no why, no need to try
I thought you had it all
I'm calling you, I'm calling you
I ask for more and more
How can I be sure?
