Hey Mr. Businessman  
Please take me as I am  
I'm ready to go straight  
But it's not easy  
When you don't have no money  
And if you take a chance  
I know you won't be sorry  
Hard times all around  
Hard Station in the town  
She came to me this morning  
Came to my brother's place  
Cards laid out on the table  
Tears streaming down her face  
So Mr. Businessman  
Please take me as I am  
I'm ready to go straight  
But it's not easy  
When you don't have no money  
So listen to me please  
I know you won't be sorry  
Hard times all around  
Hard Station in the town  
Round here you get downhearted  
It's more than a man can take  
Friends making propositions  
That was my first mistake  
So Mr. Businessman  
Please take me as I am  
I'm ready to go straight  
But it's not easy  
When you don't have no money  
So listen to me please  
I know you won't be sorry  
Hard times all around  
Hard Station in the town
