

## Paul Brady "Just In Time"

Visit "[Just In Time](#)" on [MotoLyrics.com](#)

Lately I been talking to some friends of mine  
(You know the kind who understand)  
Trying to get a handle on this heart of mine  
(Sometimes it's hard to be a man)  
How to find a way to end these wars with you?  
(The more we run the more we hide)  
Were we just fools to ever start?  
Would it make sense for us to part?

Then I started looking for some sympathy  
(You know that boys can still be boys)  
Churning out this hurting deep inside of me  
(Just like a child who lost his toys)  
And I'm ducking and I'm diving  
And I'm running and I'm hiding  
From what's standing right in front of me  
(Sometimes the truth's so hard to find)  
Making me blind I could not see  
That you were the perfect one for me

Just in time  
I saw a picture in the mirror, baby  
Of a man acting like a fool  
Just in time  
I saw a vision of a future without you  
Just in time  
I realised a lot of things that I'd been hiding in this  
Heart of mine  
Just in time  
I saw the beauty of a love that's oh so true

Baby, you and I we got this magic touch  
(And we can fly right to the stars)  
And maybe that's the reason why it hurts so much  
(Cos when we fall we fall so far)  
But all we gotta do is reach out to each other  
And listen to our hearts inside  
(Just let the wheel of love go round)  
Love is a crazy carousel  
Jump up on board and ring the bell

Just in time

I saw a picture in the mirror baby  
Of a man losing what he had  
Just in time  
I saw a vision of a future without you  
Just in time  
I realised a lot of things that I'd been hiding  
In this heart of mine  
Just in time  
I saw the beauty of a love that' oh so true  
And I need your love  
And I need your love  
Gotta have your love  
Gimme all the love you got
