Cried a lotta blues up and down the street
(I'd) lose everything I had but I would not lose the beat
Oh yeah, oh no!
Had a lotta lovin', bitter and the sweet
Bring you up in glory, drop you in defeat
Oh yeah, oh no!
Oh what a world!

chorus

Oh, what a world we live in
But it's the one we're given
Stand up and face the trouble!
Baby, I'm gonna love you
And you can try to love me too
Oh, yeah, oh, no! Oh, what a world!
Middle of the night, wake up in a sweat
The devil's gonna get me but he has not got me yet
Oh yeah, oh no!
Reach out and I hold you and we double up our love
If I wind up down below you will you watch me from
above?
Oh, yeah oh, no!
Oh, what a world!

repeat chorus

Oh, yeah!
Baby keep hangin on
Oh, no!
don't you ever let go
Oh, yeah!
There's a wind comin' up
Oh, no!
And the sun's bound to show
Take you to the races, put our money down
Pick up all our winnings, dance all over town
Oh, yeah! oh, no!
Oh, what a world!

repeat chorus
