If the river is high, I'll be your shore  
If it's love you need, I'll give you more  
You can count on me, baby, that's for sure  
I belong to you  
If you cross the line, I'll cross it too  
Anywhere you go, I'll be with you  
We'll cry some tears, but we'll make it through  
As long as we're together

Everything in my heart I'll give you  
Everything in my soul, it's yours  
Everything that I am and will ever be  
Take it from me, take it from me  
Take everything

I'll give you all that you can take  
I made a promise, it will never break  
You've got my heart, make no mistake  
Just take it from me

Everything in my heart I'll give you  
Everything in my soul, it's yours  
Everything that I am and will ever be  
Take it from me

Everything in my heart I'll give you  
Everything in my soul, it's yours  
Everything that I am and will ever be  
Won't you take it from me

Everything in my heart I'll give you  
Everything in my soul, it's yours  
Everything that I am and will ever be  
Take it from me, take it from me  
Take everything

Won't you take it from me, just take it from me  
Won't you take it from me, just take it from me  
Won't you take it from me, just take it from me  
Won't you take it from me
