Team Canada
At your service from the land of the chill
If they can't thrill you baby nobody will
Make way, here comes Team Canada
Strong and Free
Lead by our fearless hero, Gretzky
He should be the Prime Minister if you ask me
Oh thank you Team Canada

Well it's hush hush
3 man rush rush
Iginla, Sakic, and Lemieux
He shoot's he scores
And all of Canada roars
From the warmth of our igloos

Sorry Eh,
We put hurt on you team USA
And showed the whole world that it's still our game
Three Cheers for Team Canada

We'll slide and glide
Skate Over any line
Red or white or blue
What makes it nice
Is that we did it twice
Cause our women beat you too-oo-oo

Gold at last
50 years sure took a long time to pass
So tip your hat or raise your glass
For the heroes of Team Canada
Oh what a great game Team Canada
You did us proud Team Canada
