I know they say if you love somebody  
You should set them free (so they say)  
But it sure is hard to do,  
But it sure is hard to do  
I know they say if it don't come back again  
Then it's meant to be (so they say)  
Those words don't pull me  
Through cause I'm still in love with you  
I spend each day here waitin' for a miracle  
But it's just you and me goin' through the mill  
Climbin' up a hill  
This is the long goodbye  
Somebody tell me why,  
Two lovers in love can't make it,  
Just what kinda love keeps breakin' a heart  
No matter how hard I try, Your gonna make me cry  
Come on baby, it's over...let's face it  
All that's happenin' here is a long goodbye  
Sometimes I ask my heart did we really ...  
...give our love a chance  
(Just the one more chance)  
But I know without a doubt, that we turned it inside out  
And if we walked away would it make more sense (only  
self defense)  
But it tears me up inside, just to think we still could try  
How long must we keep runnin' on a carousel  
Goin' round and round and never gettin' anywhere  
On a wing and prayer  
Repeat chorus  
Oh, long goodbye
