Sometimes the things that you say
Can hurt me so bad
You know that it's true
Sometimes your love lifts me up
So high I could cry
Can't live without you
Like a knock on the door
Open it up
What do you see?
Could be a trick or treat
Bitter or sweet
Which one you gonna be?
Sometimes I fill up your cup
So your river flows
You know that it's true
Sometimes my love makes you pay
Though baby, I swear, I'm not wanting to
Like a knock on the door etc
Look at what this love can do
Send us out into a world that's new
You no compass, baby, me no map
No one to show us where they laid the trap
Trick or Treat, baby, that's the game
One day passion one day pain
You can try to change the rules but

Chorus

Trick or Treat make you the fool
Trick or Treat make you the fool
Sometimes a moment of bliss
That starts with a kiss
Can end up so blue
'Cos I might say something wrong
And then comes along
A whole different you
Like a knock on the door etc
Look what this love can do etc

Chorus

Trick or Treat make you the fool
Trick or Treat make you the fool
