Blues with a feeling  
that's what i have today  
blues with a feeling  
that's what i have today  
I've got to find my baby  
if it takes all night and day

What a lonesome feeling  
when you buy yourself  
What a lonesome feeling  
When you buy yourself  
Yes the one that loved me  
has gone off with someone else

you know i love you baby  
wonder the reason why  
gonna left me baby, left be here to cry

Blues with a feeling  
that's what i have today  
I've got to find my baby

if it takes all night and day

What a lonesome feeling  
when you buy yourself  
What a lonesome feeling  
When you buy yourself  
Yes the one that loved me  
has gone off with someone else

Well you know i love you baby  
wonder the reason why  
Gonna left me baby, left me here to cry

Blues with a feeling  
That's what i have today  
I've got to find my baby  
if it takes all night and day
