Really if I keep on moving much longer  
Baby, I don't know how much longer I can last  
I've got to be home sometime tomorrow  
Early my woman, mmm, with my arms to rest

Well there ain't, oh, nobody here  
Baby, there ain't nobody talking  
Yeah, and if I knew where to leave this town  
Baby, I'd be on, on way where I been  
Oh, loving baby, you know it ain't too easy  
Yeah, but without it, oh, I know yeah, we'd be lost  
You know I've got to go  
Ooh, tomorrow by my woman, yeah, oh, yeah  
Any loss, yes, my sweet baby

Well, if you've seen, yeah, go up to my mamma, yeah  
Well, she said stay home, yeah, or you'll be straying  
Well, I'm on my way leaving  
I hope my woman, mmm, doesn't say it's too late
