Oh, yeah, there's a love march going on here  
Bring your horn, brother  
Get on in line  
Hey, you, step in line  
Oh, me, sir  
Oh, all right

Marching along  
Thinking as time goes by  
Sing a glad song  
Sing all the time  
While I make all the people  
Feels so good  
Treat all my brothers like I should  
See all the houses all in place  
Living's no longer an empty space

Marching along  
Love as much as I can  
Try and be strong  
[List string the shoes I had]???  
Good for the time that's not too far  
Good while no jealousy and war  
Aim my sad eyes into the sun  
Think of all people just as one  
March!

People say because my daddy did these things  
Oh, yes, they say  
They say that I must wear a tie and be the same  
I got to treat my brother wrong  
And kill him, what a shame  
Oh, yeah, what a shame, yeah, yeah  
But I know, yes, I know  
What is it you know, right?  
What you know?  
There's got to be a change

March all along  
Love as much as I can  
Try and be strong

[List string the shoes I had]???  
Good for the time that's not too far  
Good while no jealousy and war  
Aim my sad eyes into the sun  
Think of all people just as one  
Hep, two, three, four  
Hep, two, three, four

Hep, two, three, four  
Love march  
Gonna be a change
