Train arrive, it's sixteen coaches long

Train arrive, it's sixteen coaches long

Well, that long black train take my baby and gone

Mystery train, rollin' down the track

Mystery train, rollin' down the track

Well, it took my baby, people it won't be coming back

Train, train, rollin' 'round the bend

Train, train, rollin' 'round the bend

Well, it took my baby, people it won't be back again

Train arrive, it's sixteen coaches long

Train arrive, it's sixteen coaches long

Well, that long black train take my baby and gone
