When I was down, babe, you reached out your hands to
guide
When I was feeling so sorry, I've been hurt so deep
inside
I realize no amount of love, yeah, can take away those
lies, no, baby

Yeah, tried to catch your dog, baby, but the dog was
mean
Came to your door, it was closed, yeah, you put a
wound in my shoulder
For something to lean on, baby, how much it hurts, you
know the load
Oh, deep inside, you wouldn't be too wrong,
somewhere along the road

Yeah, all things, baby, catch up with you
Watch yourself
Well, I'll be around
No amount of love, can take away those lies
I'm taking them away now

I realize no amount of love, yeah
Can take away those lies, no baby
I'm taking them away

Oh, everything you gave me, baby, you want to take it
back
There's one story, darling, that's out of sight
Don't want nothing from you, woman, I didn't need no
schooling
Until a lot less amount of loving you, baby, for me to
see the fool

I realize no amount of loving, can take away those lies
Can't take 'em away now, I realize, baby, not any
amount of loving
Can take away those lies, can't take 'em away now,
take 'em away
Oh, take 'em away now, take 'em away, babe
No amount of love, yeah

Um, baby
