Look Over Yonders Wall
Paul Butterfield Blues Band

Look over yonder's wall,
Hand me down my walking cane
Well I got myself a woman
Yonder comes your man

I'm in love with you baby,
You don't treat me right
You take all my money
Walkin' the streets at night

Look over yonder's wall,
Hand me down my walking cane
Well I got myself a woman
Yonder comes your man

[Guitar riffs]

You know a man went to the war,
I know that it was rough
I don't know how many men he killed
But I know he killed enough

Look over yonder's wall,
Hand me down my walking cane
Well I got myself a woman
Yonder comes your man

[Guitar riffs]

Look over yonder's wall,
Hand me down my walking cane
Well I got myself a woman
Yonder comes your man

I'm in love with you baby,
You don't treat me right
You take all my money
Walkin' the streets at night

Look over yonder's wall,
Hand me down my walking cane
Well I got myself a woman
Yonder comes your man
