I can still recall our last summer, I still see it all  
Walks along the Seine, laughing in the rain  
Our last summer, memories that remain

We made our way along the river  
And we sat down in the grass by the Eiffel tower  
I was so happy we had met  
It was the age of no regret

Oh yes, those crazy years, that was the time  
Of the flower-power but underneath we had a fear of  
flying  
Of growing old, a fear of slowly dying  
We took our chance like we were dancing our last  
dance

I can still recall our last summer, I still see it all

In the tourist jam, round the Notre Dame, our last  
summer  
Walking hand in hand, Paris restaurants, our last  
summer  
Morning croissants, living for the day, worries far away  
Our last summer, we could laugh and play

And now you're working in a bank  
The family man, a football fan  
And your name is Harry, how dull it seems  
Yet, you were the hero of my dreams

I can still recall our last summer, I still see it all  
Walks along the Seine, laughing in the rain  
Our last summer, memories that remain
