Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be without a song or a dance what are  
we?

So, I say thank you for the music for giving it to me

Mother says, I was a dancer before I could walk  
She says, I began to sing long before I could talk  
And I've often wondered, how did it all start?  
Who found out that nothing can capture a heart  
Like a melody can? Well, who ever it was, I'm a fan

So, I say thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be without a song or a dance what are  
we?

So, I say thank you for the music for giving it to me

I've been so lucky, I am the girl with golden hair  
I wanna sing it out to everybody  
What a joy, what a life, what a chance

So, I say thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be without a song or a dance what are  
we?

So, I say thank you for the music for giving it to me

So, I say thank you for the music for giving it to me
